

# ESD vacuum cleaner and brooms

## ESD broom

Stick made of aluminium length: 1480 mm and with conductive bristles. Height of bristles: 35 mm

Order No:	Width
70.400.10	400 mm
70.500.10	500 mm

## ESD dust pan set

ESD broom – width of bristles 250 mm, conductive wooden stick in the length of 760 mm. Panel and stick are made of aluminium, length of stick 620 mm

Order No:	description:
70.550.10	Dust pan set

## ESD brush

ESD brush  
Brush surface 160 mm

Order No:	description:
70.580.10	brush

## ESD flooring vacuum cleaner

Material: Polypropylene, volume conductive, black, with ESD symbol  
Dimensions: diameter 400 mm, height: 350 mm  
Power: 1200 Watt  
Weight: 6.3 kg  
Power supply: 230 V AC  
\*\* suitable for clean rooms of the category 10.000, optional with HEPA filter  
Supplied with: vacuum cleaner, 10 m power cable, 2.5m flexible hose, 1.3m intake tube, 4 different top pieces,

**Order No: 71.220.10**

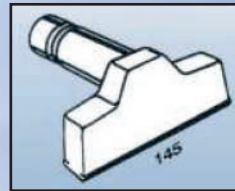

## ESD vacuum cleaner dual functioning: vacuum cleaner and blower all in one device.

- Housing and mounting are completely conductive according to EN 61340-5-1
- Elastic blast and intake hose extendable up to 130 cm
- Elastic intake nozzle made of conductive rubber
- Dust access includes rubber –joint
- 1.2 liter special filter bag
- ESD connections for wrist straps / grounding cord
- Length of line cord 6m / operating range 8m
- Blast and intake nozzles fully grounded

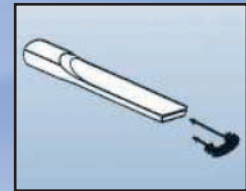

### Technical data

Power: 1300 Watt  
Weight: 2,2 kg (unit)  
Dimensions: 315 x 120 x 185 mm  
Power supply: 230 Volt/50 Hz.

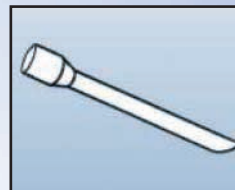

**Order No: 71.000.07**

ESD floor nozzle  
PHU-23 ESD made of aluminium  
**Order No: 71.000.23**

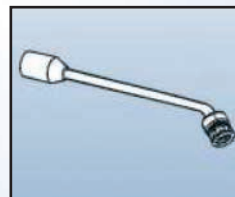

ESD slit nozzle  
PHU-16 ESD with demountable brush  
**Order No: 71.000.16**

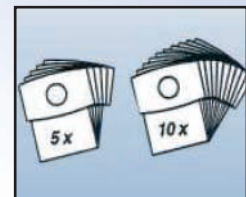

ESD rubber nozzle  
PHU-20 ESD soft, length 300 mm, ø 21 mm  
**Order No: 71.000.20**

ESD brush cap  
**Order No: Design**  
71.000.11 hard bristles  
71.000.12 medium bristles  
71.000.13 soft bristles

ESD rubber nozzle with demountable brush, length 340 mm  
**Order No: Design**  
71.000.17 hard bristles  
71.000.18 medium bristles  
71.000.19 soft bristles

ESD special filter bags  
Filtering of particles up to the size of 0,3 µm  
**Order No: pack**  
71.000.22 5 pieces  
71.000.25 10 pieces
